The Importance of Form and Function for the Performance Prospect

Seminar – **Saturday, March 19, 2022, to follow the Obedience / Rally trials** - brought to you by Cheryl Sacerich, Nancy Runyon, Ashley Corbin Wooten, Penny Brcich, Lisa Schwartzentert and a bunch of Shelties.

The conformation and bone structure of the Shetland Sheepdog is important to the performance handler. Does your Sheltie have a proper front and rear? Do you struggle with the concept of straight shoulders? Don't get confused when you hear the word "conformation", it is not just an event, it is the structure and the most important thing you will ever learn about your dog.

The front, consisting of the shoulders and the front legs, provides the lift, the direction and the landing. The rear, consisting of the back legs and pelvic area, provide that forward movement. Join us for a hands-on evaluation into the importance of the structure when picking your next performance puppy. If you struggle with the concept of straight shoulders, the hands-on approach might clarify it for you. We will be looking at how the front-end assembly balances the rear, and how that impacts your performance sport.

*This seminar will follow 30 minutes after the obedience/rally trials to allow time to put up dogs. **The seminar is limited and the form must be sent.***

Note: Adjustments may need to be made to the seminar based on Purina Farms future COVID regulations!

Class Changes Effective January 1, 2020

**Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend –
Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

- The safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are able to perform all obstacles safely. Ring size will be 90' x 110'. Agility will be indoors at Purina Farms on padded flooring topped with Turf cover.

- Entry fees will not be refunded if the dog is absent, disqualified, excused or barred from competition by action of the trial committee. If, because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or complete the show, no refund or entry fees will be made.
- Exhibitors are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the trial committee, be asked to leave the show site. In such cases, no refund of any fees will be made.
- All dogs present must be held on leash or confined to their crate at all times except when in the ring or when in the designated agility warm-up area. The site will be monitored and offenders will be asked to leave. In such cases, no refunds will be made.
- We ask for the cooperation of exhibitors in helping to keep the location as clean as possible in order for us to retain the use of the facility in the future.
- A return check fee of \$25.00 will be added for each check returned. Subsequent returned checks from the same exhibitor may result in entries only being accepted on a C.O.D. basis.
- No refund for duplication of entries.
- Exhibitors must be governed by any rules or regulations of civil authority, building and parking restrictions. Vehicles parked contrary to regulation will be subject to towing at owner's expense.
- Dogs under six months of age are prohibited at AKC events.
- Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
